

This Month of Magick

April 2024

Simple little ways to help you live more magickally

SUN	MON	TUE	WED	THU	FRI	SAT
	1 Mercury Retrograde. If you prank someone after midday, you become the fool.	2 Carry sage for wisdom or make Lavender & Sage Blessing Salve.	3 Drink iced tea made with mint for clarity.	4 Honor the element of Air with a breathing exercise.	5 Use herbs that correspond with love to honor Friday's roots.	6 Tape into Saturn's energy by evaluating your boundaries.
7 Dark Moon: Do a self-cleansing ritual.	8 New Moon in Aries/Solar Eclipse: Rest & Reset Ritual.	9 Waxing Moon: Plant aboveground crops.	10 Use candle magick to attract something fast.	11 Waxing Moon: Plant fruits and foods with external seeds.	12 Spend 5 minutes shielding yourself from the energy of others.	13 Work with The Death card today. As Tarot #13, it symbolizes transformation and new beginnings.
14 Honor the sun by watching the sunrise, or charging items in sunlight.	15 Look to the moon to be visibly aware of its phase and presence.	16 Answer this journal prompt: Reflect.	17 Make an offering of gratitude for something in nature today.	18 Carry a tiger's eye and embrace strength and courage all day.	19 Ground yourself by walking barefoot outside.	20 Pull a Major Arcana card for guidance on your journey.
21 Connect with nature: Visit a farmer's market, garden, or park.	22 Honor the Earth: Water a plant or sow new seeds.	23 Full Moon in Scorpio: Release Intense and powerful Emotions	24 Waning Moon: Plant underground crops.	25 Mercury Direct: Use Cartomancy for clarity from within.	26 Craft a spell oil to wear as a love potion to attract love.	27 Waning Moon: Work on improving soil, weeding, mulching, & composting.
28 Celebrate the spring by eating something seasonal today.	29 Spend 20 minutes meditating on this: Explore.	30 Prepare for Beltane: Summer's sensual heat, lust, and love.
