Simple little ways to help you live more magickally

SUN	MON	TUE	WED	THU	FRI	SAT
		1 Write three unique traits on a bay leaf, burn it, and scatter the ashes to embrace your quirks fearlessly.	2 Sprinkle salt & rosemary inside your doorway while saying: "Only light and love enter here."	3 Stir honey into tea clockwise, whispering: "Sweetness and plenty flow to me." Drink with gratitude.	4 Light a green candle, carve "444" into it, and say: • "Strong as stone, love and stability are my own."	5 Add rose petals and rosemary to warm bath water, whispering self-love affirmations as you soak.
6 Hold a citrine crystal in sunlight, whisper: "I shine in my truth." Keep it in your pocket for confidence.	7 Place rose quartz and basil leaves under your pillow to strengthen love and commitment.	8 Stand in the morning sun and say: "I shine in my truth. The world welcomes me."	9 Fill a small pouch with mugwort, lavender, and chamomile. Tuck it under your pillow for prophetic dreams.	10 Brew chamomile and peppermint tea, stirring counterclockwise to release stress.	11 Whisper a wish over a candle, and say: "Flame, rise high, my dreams take flight."	12 Wash floors with cinnamon-infused water, clearing out stagnation before the full moon.
13 Full Moon in Libra: Write it down, burn it, say: "I release, I rise, I am free." Let the ashes go.	14 Mix salt, rosemary, and crushed eggshells. Sprinkle around your home's windows for protection.	15 Bury a coin and basil leaf in soil, whispering: "Abundance grows beneath and above."	16 Carry rosemary or juniper in your pocket for mental clarity and swift thinking.	17 Steep thyme, basil, and lemon in hot water. Mop your floors for clarity and fresh opportunities	18 Light a red candle and say: "Courage is mine, my fire shines."	19 Place a small bowl of rice in your home to symbolize stability and abundance.
20 Charge water under the waning moon. Use it to cleanse your hands and reset your energy.	21 Infuse water with rose petals and mint. Use it to wash your hands and face for charm and attraction.	22 Write, plant, whisper: "As this grows, so do I."	23 Hang dried rosemary over your doorway to keep bad energy out.	24 Open all windows, burn lavender or sage, and let the fresh air clear stagnant energy.	25 Light a pink or green candle and say: "Love and stability, flow to me."	26 Place a basil leaf in your wallet for financial prosperity.
27 Mix a pinch of cinnamon, sugar, and salt in your hand. Blow it out your front door, saying: "Prosperity and peace enter here."	28 Decorate your space with fresh flowers to invite joy and renewal.	29 Write your creative goals on paper and pass it quickly through a candle flame (safely).	30 Simmer Rose, cloves, and vanilla to spark energy and motivation for Beltane.
