

31 Witchy things to do  
 to connect you to your craft

July 2025

SUN	MON	TUE	WED	THU	FRI	SAT
		1 <u>First of the Month ritual for Abundance</u>	2 First Quarter Moon in Libra: Do tree pose and focus your energy on balance.	3 Jupiter rules: Prosperity and wisdom await. Rub rosemary on your temples to expand your mind.	4 Venus enters Gemini: Carry two rose quartz crystals to balance matters of the heart.	5 Make a sigil using the number 6 and your intention. Charge it in the sunlight.
6 Sprinkle dried nettles over your threshold to protect your home.	7 Uranus ingresses into Gemini: A seven-year cycle of innovation, change, and mental fireworks	8 Write a wish on bay leaf and burn it. If it crackles, its a good sign.	9 Embody courage and strength by wearing red clothing, lipstick, or painting your nails red.	10 Full Buck Moon in Capricorn: Release any lack of ambition and discipline.	11 Light incense as an offering to Venus, Aphrodite, or Freya.	12 Glamour spell: Write your intention on the mirror with your lipstick or liner.
13 Saturn Retrograde: Reassess leadership roles and boundaries.	14 Reflect on your progress since last January; you've grown and healed.	15 Carrying or wear carnelian for zest and energy.	16 Draw the number 7 on your non-dominant hand to attract wisdom.	17 Last Quarter Moon in Aries: Time to complete plans and release what didn't work.	18 Mercury retrograde begins in Leo: Carry black tourmaline and hematite for grounding.	19 Get to know your house spirits by leaving an offering.
20 Spray rose water to release fears and self-limiting beliefs.	21 Honor the element of Air when you sweep.	22 Leo Season Begins: Embrace your inner lion and roar! Embrace fun, pride, and luxuries.	23 Strawberries bring good luck and prosperity when used in charms or carried as talismans.	24 Carry burdock for protection and healing.	25 New Moon in Leo: Set intentions around confidence, generosity, and natural leadership abilities.	26 Put mint in your shoes to walk a path of abundance.
27 Light a candle to fuel your workings and intentions with energy.	28 Carry a citrine for energy, vitality, abundance, and prosperity.	29 Use this time to lock and ward your mirrors.	30 Do a cleansing ritual to sweep out old energy before the next month.	31 Venus enters Cancer: Focus on deepening bonds and emphasizing soul-centered care
